ETRC Update
Readiness Flight Officer Course

revised

Maj Andre R. Dempsey
Director, Readiness Mgt Dept

Integrity - Service - Excellence

Overview

- Background
- Education Working Group
- Course Details
- Bodies of Knowledge
- Road Ahead

Background

- RFOWG convened 18-22 Nov 02
- PRC Action 02-04: Send out the “bodies of knowledge” of the new Readiness Flight Officers Course to MAJCOM/CEs for review and comments. Ensure that content appropriately addresses MAJCOM needs
- PRC Decision 03-04: AFIT’s MGT 410 Readiness Flight Commanders’ course shelved
- SLM Action 03-08: Provide draft curriculum to ILE

RFO Working Group

- Attendees
  - AFCESA
  - RFO (attended apprentice course)
  - 366 TRS
  - AFIT
  - AWC
- Developed bodies of knowledge
- Recommended training location
- Recommended dissolution of AFIT course

Course Details

- 20 academic days (4 wks)
- Location: Fort Leonard-Wood, MO
- Primary Audience: CE officers and senior NCOs filling a Readiness Flight position

- Knowledge level material; not a technician's course
- Exercise with apprentice and 7 level course students
